

SELF CONTAINED EYEWASH STATION

Product Code

CM1764

This portable eye wash offers an effective solution in locations that are unsuitable for fixed installations and should be used as a secondary safety measure to supplement plumbed in eye/face wash units. Ideal where a continuous supply of water is not available, this 60 litre wall-mounted or table top unheated portable emergency eye wash station delivers a controlled flow of a minimum 1.5 litres per minute for 15 minutes, meeting ANSI Z358.1-2014 requirements.

- Easy to transport and ideal for use where a continuous supply of water is not available
- Wide fill opening enables quick inspection, cleaning and filling
- For use as a wall-mounted or table top unit
- Provided with one bottle of water preservative
- Station should be cleaned and refilled every 120 days, when using the water preservative.

Body : High Density
Polythene
