

MSA Standard V-Form Back/Chest D-Ring Bayonet Harness

The V-FORM+ full body harness allows you to focus on your job - not your harness. Provides a close and comfortable fit thanks to the racing style bayonet buckle. The athletic cut contours to the body, improving upper torso movement on the job providing increased flexibility, while soft shoulder padding helps to eliminate pressure points and chafing for all day comfort. Further Flexibility is gained via the pull-down adjustment allows you to quickly and easily get the right fit that lasts throughout the working days.

- 140kg Load capacity
- Bayonet steel buckle connection
- Back and chest D-Ring
- Hex style stitch design makes finding broken threads easy when inspecting the harness
- Hydrophobic coated webbing to repel dirt, grease and moisture
- Available in sizes small, standard and extra large
- EN 361:2002 Personal protective equipment against falls from a height. Full body harnesses
